

The “DaVinci Code” and the General Apostasy

There seems to be the fulfillment of another aspect of Our Lady’s prophecies regarding these end times which correspond to the prophecies of Matthew’s Gospel Chapter 24. Our Blessed Mother said to Fr. Stefano Gobbi on 13th May 1991, **“When this Pope (*John Paul II*) has completed the Task which Jesus has entrusted to him, and I come down from Heaven to receive his sacrifice, *all* will be wrapped round by a dense darkness of Apostasy which will, by then, have become general”**.

The new movie “The DaVinci Code” will certainly assist in this darkness of Apostasy and aid in its becoming more general. How sad! How disturbing! For a great understanding of the impact of these types of films see Fr. Cantalamessa’s Good Friday Homily summarized on www.zenit.org.

Our Blessed Mother helps us however! On Easter Sunday April 3, 1983 she said to Fr. Gobbi; **“Peace to you, peace to all! With my risen Son, I repeat it again to you. Let nothing disturb your peace! Not the world in which you are living, rebelling against God, perverted and in the hands of the Evil One. Jesus has already overcome the world. Not the darkened and divided Church, into which have come idolatry and apostasy. Jesus loves his Spouse with a divine love, and in these moments of its purification He is closer to it than ever.... Jesus, risen and alive, is among you! He is guiding the vicissitudes of the world and of history, according to the designs of his merciful love, for the salvation of all of his redeemed brothers. Therefore, in Jesus, Life and Resurrection, peace to you in a joy that is pure and supernatural.”**

In our concern for the impact of this film, and probably others to come, let me recommend a book given to me by a friend that can help refute the errors present in this film. It is a brief book in an easy to read Q&A format entitled, The DaVinci Deception. I believe we can help many who will need help in seeing the errors of this film, without having to be an historian or scripture scholar. This book can give us a simple response that you can feel good about. It is published by Ascension Press and promoted by Catholic Exchange. The Website for this little book is www.DavinciAntidote.com.

Let us invest and help our confused neighbor in need! And remember, “Let nothing disturb your Peace!”
God Bless!
